

Weekly Media Monitor

May 19th - May 25th, (2025)

This week's major news updates in Pakistan's energy and climate sectors:

- ➡ The government's attempt to auction three old power plants—Jamshoro, Muzaffargarh, and Faisalabad — receives minimal investor interest.
- ➡ The National Assembly passes a law, imposing an immediate 5 percent levy on natural gas and RLNG consumption by captive power plants.
- ➡ The government initiates the digitalisation of net-metering connection applications via a new online portal.
