

Weekly Media Monitor

October 6th – October 12th, 2025

This week's major news updates in Pakistan's energy and climate sectors:

- ➔ Pakistan submits its third Nationally Determined Contributions (NDCs 3.0) to the United Nations Framework Convention on Climate Change (UNFCCC), seeking 565.7 billion US dollars in climate finance.
- ➔ Parliamentary Forum on Energy and Economy stresses the need for presenting the Indicative Generation Capacity Expansion Plan (IGCEP) in Parliament.
- ➔ The federal government allocates 9 billion rupees to subsidize the purchase of 116,000 electric motorcycles and 3,000 electric rickshaws and loaders.
