

Weekly Media Monitor

May 13th - 19th, 2024

This week's major news updates in Pakistan's energy sector:

- National Electric Power Regulatory Authority (NEPRA) exempts electric vehicle charging stations from fuel cost adjustment of 2.83 rupees in the electricity bills of May 2024.
- Sindh's first electric vehicle charging station is inaugurated in Karach.
- Amid American threats of sanctions, Foreign Minister Ishaq Dar reiterates Pakistan's commitment to operationalizing the Iran-Pakistan gas pipeline.
- Federal ministries of energy, planning, and development endorse findings from South African experts about the potential of coal gasification in Thar.
- Pakistan's largest oil marketing company, Pakistan State Oil, proposes to public sector energy companies that it can buy their shares in return for the loan they owe to it.
