

Weekly Media Monitor

April 21st - April 27th, 2025

This week's major news updates in Pakistan's energy sector include:

- ➔ Local coal's share in Pakistan's power sector rises to 17 percent, reducing reliance on imported coal for power generation.
- ➔ The federal government plans to revise contracts with four state-owned power plants, projecting a saving of 1.57 trillion rupees.
- ➔ Finance Minister Muhammad Aurangzeb urges swift operationalisation of the Loss and Damage Fund at the annual meeting of the International Monetary Fund to address climate threats.
