

Weekly Media Monitor

June 24th - 30th, 2024

This week's major news updates in Pakistan's energy sector:

- ➔ Pakistan's electricity shortfall surges to 6,247 megawatts due to increased demand amidst heatwave.
- ➔ The federal government approves the payment of up to 82 billion rupees to Oil and Gas Development Company Limited (OGDC) to settle a part of the energy sector circular debt.
- ➔ Federal climate change ministry receives 6.25 billion rupees under the 2024-25 budget to improve its climate adaptation and climate mitigation efforts.
- ➔ Prime Minister Shahbaz Sharif directs his government to prepare a strategy for converting Thar's coal into gas.
